

2019 Monroe County 4-H Dog Project

UW-Extension, 206 South K Street, Sparta, WI 54656

Dear 4-H Friends,

The Monroe County 4-H Dog Project is looking for dog project sponsors to help support 4-H dog project activities this year. Our program teaches youth about canines through educational events like quiz bowl, dog and puppy socialization, obedience, showmanship, and agility.

In the past, your sponsorships helped the 4-H program in Monroe County host the Wisconsin 4-H Dog Show which brought 4-H members and their families from across Wisconsin to Monroe County. Every year, sponsorships help provide trophies to reward young handlers for their efforts, equipment for our shows, and sometimes goodie bags for show participants if funds allow it. Our current goal is to raise funds to fit our new trailer with shelves to store and haul our agility and obedience show equipment. We are also hoping to expand our reach by completing a second set of agility equipment to host two training sites in the county.

Any sponsorship amount would be greatly appreciated. If you choose to sponsor the 4-H Dog Project, make checks payable to the Monroe County 4-H Dog Project. If you would like to be mentioned as a sponsor in our show programs, please return by June 30. If you have any questions, please call Jackie Menn, training coordinator at 823-7640; text or call 608-633-3186.

As a sponsor, you are invited to observe any of our training sessions plus, are encouraged to attend our shows at the Monroe County Fair. We have had very successful years in the past and look forward to the new training season which is already underway.

Thank you for your commitment to the youth of Monroe County!

Sincerely,

4-H Youth in the Monroe County Dog Project

Please return to Monroe County 4-H Dog Project, c/o UW-Extension, 206 South K Street, Sparta, WI 54656

Sponsor Name _____ Phone No. _____

Address _____

Donation amount: ___\$25 ___\$20 ___\$15 ___\$10 ___\$5 ___ Other amount
