ARC AND PLC SIGNUP RESOURCES/RECOMMENDATIONS FOR 2021 FOR WISCONSIN FARMERS

Signup for DMC and CFAP2 just ended, so it's time for ARC/PLC signup. Wisconsin farmers are choosing ARC (Agriculture Risk Coverage) or PLC (Price Loss Coverage) for their program base acres.

Dr. Paul D. Mitchell, Professor of Agricultural and Applied Economics at UW-Madison, has created and posted new resources on his web pages to help farmers through the decision process to determine which options appear to be best for their operation. For more information go to the main page at: <https://aae.wisc.edu/pdmitchell/extension/arc-plc-signup/>

Signup runs until March 5, 2021 at the Farm Service Agency. For Monroe County please call 608-269-8136.
