SKILLS & KNOWLEDGE USED OR GAINED Years Participating in Activity:(1 pt) 3 pts – 1 pt per skill				

Skill or Knowledge	How was this skill or knowledge used or gained?	

4-H offers many activities throughout the year. All are meant to make those who participate
better at something. How has this activity made you better? How might you use these skills as
you grow and try new things? (2 pts) 1 point per experience listed. Fair may be included as a
learning experience.

Activity Report: The rest of the document is reserved to tell about your participation in the way you feel would show your experience best. Remember to include captions if you are using photos. Some options are; sequenced photos of project work; bulleted list or time line; paragraph story telling of your experiences, photo story showing your work, scrapbook style page with artifacts and photos of project work; don't be limited by this list. If you are unsure if the idea is acceptable ask you club leader or the extension office. You may use the rest of this page and up to 1 more sheet of paper, front and back.

(Points should not be deducted for not using the printed back page. The youth may put photos and descriptions on blank page or on back of form.) 5 pts for completion
